NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This notice takes effect on 4/13/03 and remains in effect until we replace it.

1. OUR PLEDGE REGARDING MEDICAL INFORMATION

The privacy of your medical information is important to us. We understand that your medical information is personal and we are committed to protecting it. We create a record of care and services you receive at our organization. We need this record to provide you with the quality care and to comply with certain legal requirements. This notice will tell you about the ways we may use and share medical information about you. We also describe your rights and certain duties we have regarding the use and disclosure of medical information.

2. OUR LEGAL DUTY

Law requires us to:

1. Keep your medical information private.
2. Give you this notice describing our legal duties, privacy practices, and your rights regarding your medical information.
3. Follow the terms of the notice that is now in effect.

We have the right to:

1. Change our policy practices and the forms of this notice at any time, provided that the changes are permitted by law.
2. Make the changes in our privacy practices and the new terms of our notice effective for all medical information that we keep, including information previously created or received before the changes.

Initial_____

Notice change to Privacy Practices:

1. Before we make an important change in our privacy practices, we will change this notice and make the new notice available upon request.

3. USE AND DISCLOSURE OF YOUR MEDICAL INFORMATION

The following section describes different ways that we use and disclose medical information. Not every use or disclosure will be listed. However, we have listed all of the different ways we are permitted to use and disclose medical information. We will not use or disclose your medical information for any purpose not listed below, without your specific written authorization. Any specific written authorization you provide may be revoked at any time by writing us.

FOR TREATMENT: We may use medical information about you to provide you with medical treatment or services. We may disclose medical information about you to doctors, nurses, technicians, medical students, or other people who are taking care of you. We may also share medical information about you to your other health care providers to assist them in treating you.

FOR PAYMENT: We may use and disclose your medical information for payment purposes.

FOR HEALTH CARE OPERATIONS: WE may use and disclose your medical information for our health care operations. This might include measuring and improving quality, evaluating the performance of employees, conducting training programs, and getting the accreditation, certificates, licenses and credentials we need to serve you.

ADDITIONAL USES AND DISCLOSURES: In addition to using and disclosing your medical information for treatment, payment, and health care operations, we may use and disclose medical information for the following purposes.

Notification: Medical information to notify: a family member, your personal representative or another person responsible for your care. We will share information about your location, general condition, or death. If you are present, we will get your permission if possible before we share, or give you the opportunity to refuse permission. In case of emergency, and if you are not able to give or refuse permission, we will share only the health information that is directly necessary for your health care, according to professional judgment. We will also use our professional judgment to make decisions in your best interest about allowing someone to pick up medicine, medical supplies, x-rays or medical information for you.

Disaster Relief: Medical information with public or private organizations or person who can legally assist in disaster relief efforts.

Research in Limited Circumstances: Medical information for research purpose in limited circumstances where the research has been approved by a review board that has researched the research proposal and established protocols to ensure the privacy of medical information.

Funeral Director, Coroner, Medical Examiner: To help them carry out their duties, we may share the medical information of a person who has died with a coroner, medical examiner, funeral director, or an organ procurement organization.

Specialized Government Function: Subject to certain requirements, we may disclose or use health information for military personnel and veterans, for national security and intelligence activities, for protective services for the President and others, for medical suitability determinations for the Department of State, for the correctional institutions and other law enforcement custodial situations, and for government programs providing public benefits.

Court order and Judicial and Administrative Proceedings: We may disclose medical information in response to a court or administrative order, subpoena, discovery request, or other lawful process, under certain circumstances. Under limited circumstances, such as a court order, warrant or grand jury subpoena, we may share your medical information with law enforcement officials. We may share limited information with a law enforcement official concerning the medical information of a suspect,

fugitive, material witness, crime victim or missing person. We may share the medical information of an inmate or other person in lawful custody with a law enforcement official or correctional institution under certain circumstances.

Public Health Activities: As required by law, we may disclose your medical information to public health or legal authorities charge with preventing or controlling disease, injury or disability, including child abuse or neglect. We may also disclose your medical information to persons subject to jurisdiction of the Food and Drug Administration for purposes of reporting adverse events associated with product defects or problems, to enable product recalls, repairs or replacements, to track products, or to conduct activities required by the Food and Drug Administration. We may also, when we are authorized by law to do so, notify a person who may have been exposed to a communicable disease of otherwise be at risk of contracting or spreading a disease or condition.

Victims of Abuse, Neglect, or Domestic Violence: We may disclose medical information to appropriate authorities if we reasonably believe that you are a possible victim of abuse, neglect, or domestic violence or the possible victim of other crimes. We may share your medical information if it is necessary to prevent a serious threat to your health or safety or the health or safety of others. We may share medical information when necessary to help law enforcement officials capture a person who has admitted to being part of a crime or has escaped legal custody.

Worker's Compensation: We may disclose health information when authorized and necessary to comply with laws relating to worker's compensation or other similar programs.

Health Oversight Activities: We may disclose medical information to an agency providing health oversight activities by law, including audits, civil, administrative, or criminal investigations or proceedings, inspections, licensure or disciplinary actions, or other authorized activities.

Law Enforcement: Under certain circumstances, we may disclose health information to law enforcement officials. These circumstances, we may disclose health information to law enforcement officials.

These circumstances include reporting required by certain laws, such as requests of a law enforcement official, reports regarding suspected victims of crimes at the request of a law enforcement official, reporting death, crimes on our premises, and crimes in emergencies.

4. YOUR INDIVIDUAL RIGHTS

You Have A Right To:

1. Look at or get copies of your medical information. You may request that we provide copies in a format other than photocopies. You must make your request in writing. You may get the form to request by asking one of our front desk staff. If you request copies of your medical records please allow fifteen days.
2. You have the right to review your records. You must coordinate a time with our front office staff to do so.
3. Receive a list of all times we or our business associates shared your medical information for purposes other than treatment. Payment and health care operations and other specified exceptions.
4. Request that we place additional restrictions on our use or disclosure of your medical information. We are not required to agree to these additional restrictions, but if we do, we will abide by our agreement (except in cases of an emergency).
5. Request that we communicate with you about your medical information by different means or to different locations. Your request that we communicate your medical information to you by different means or at different location must be made in writing to our office.
6. Request that we change your medical information. We may deny your request if we do not create the information you want changed or for certain other reasons. If we deny your request, we will provide you with a written explanation. You may respond with a statement of disagreement that will be added to the information you want changed. If we accept your request to change the information, we will make reasonable efforts to tell others, including people you name, of the change and to include the changes of future sharing of that information.

7. If you have received this notice electronically, and wish to receive a paper copy, you have the right to obtain a paper copy by making a request in writing to the Privacy officer at our office.

QUESTIONS AND COMPLAINTS

If you have any questions about this notice if you think that we may have violated your privacy rights, please contact us. You may also submit a written complaint to the U.S. Department of Health and Human Services. We will provide you with the address to file your complaint with the U.S. Department of Health and Human Services. We will not retaliate in any way if you choose to file a complaint.
